

eOx[®] Wheel Cleaner Profi

Product-Code: 2591

PRODUCT INFORMATION

DESCRIPTION

eOx Wheel Cleaner Profi is an alkali cleaner of very high quality.

eOx Wheel Cleaner Profi is specially designed for professional users, as car polish companies, car wash and truck wash installations and so on. This product needs a very short time to clean, so you can work quickly and efficient.

The product can be used on diverse ways and various materials like steel and aluminium. Usually strong acids are being used for the cleaning of rims, which smell unpleasant and can even affect your wheels! **eOx Wheel Cleaner Profi** smells pleasant and doesn't affect your wheels. The product is also outstanding for use on synthetic hub-caps.

- **Universal Wheel cleaner**
- **Quick and efficient formula**
- **Removes dust of the brakes and dirt of the road from all kinds of rims**
- **Suited for all kinds of rims and hub-caps**
